ASRAM2025 Guidelines for Authors on Poster Presentation

Posters should meet the following criteria:

**Poster Size**
- All posters should not be bigger than in portrait format and the size of A0 (1189 mm high and 841 mm wide).

Format
- No specific template styles
- The poster should be easily readable.
- Avoid using mixtures of type/font styles.
- Text and presentation should be in English mainly.
- The top of the poster should display the following information:
  - Title of the Paper
  - Name(s) of the Author(s)
  - Affiliation(s)
  - Abstract ID Number (INDICO)

Note
- Please be aware that all print and display materials should be prepared in advance by yourself. Scot tapes or Pins for mounting posters are available on-site. It is not possible to print posters at the meeting site.
- Please also upload 1) your poster and 2) your short bio (No format) to a PDF file in the INDICO system after paper or extended abstract acceptance (My Conference → My Contributions →Presentation materials)

Poster presentation on the conference day

- Each presenter is responsible for affixing their poster onto their allocated board since DAY 1 of the conference.
- Each board will be marked with INDICO ID numbers.
- Scotch tapes or Pins will be provided on each board.
- Staff at the symposium registration desk will be ready to assist.
- Authors are requested to be present at their posters during the dedicated poster sessions for discussion with interested participants within the timetable, including Q&A.
